September 21, Resources for the Rights of the Child - or for the Military? UN-Committee on the Rights of the Child's Discussion Day Geneva

The Committee on the Rights of the Child will discuss governments' investments for the implementation of economic, social and cultural rights of children (CRC art.4). Working Group 1 deals with available resources and their allocation to children, Working Group 2 discusses the use of resources to the maximum extent. IPB challenges military spending and pleads to support children, see [REPORT](#). [MORE...](#)

September 24 - 26, Global Forum on Youth, Geneva

Co-hosted by the Global Alliance for ICT and Development (GAID) and the International Telecommunications Union (ITU), the Global Youth Forum will engage youth in debates and discussions with their peer representatives, policy makers, private sector, technology and thought leaders and others. It will feature roundtables, workshops and an open marketplace. More... www.un-gaid.org/fr/gfyouth

September 25 - 29, Non-violent Peaceforce International Conference and Assembly in Nairobi, Kenya

The international governing board of Non-violent Peaceforce cordially invites you to an international conference on 25-26 September and international assembly on 26-29 September. The themes of the conference will be: non-violent, civilian protection and building a global capacity. More... <https://donate.nonviolentpeaceforce.org/IA/index.php>

September 26 - October 24 Middle Powers Initiative (MPI) Seminars on Nuclear Weapons Issues, New York

Middle Powers Initiative (MPI), Global Security Institute (GSI) and Parliamentary Network for Nuclear Disarmament (PNND) will hold a number of public and private sessions in New York, including seminars on the impact of nuclear weapons on human rights and development, the International Sustainable Energy Agency, START/SORT follow-on and nuclear fuel cycle issues. More information to follow. More... <http://www.middlepowers.org//index.html>
<http://www.gsinstitute.org/gsi/index.html>

September 27-29, Foundation of an Anti-nuclear Network for the Mediterranean, Balkans and Middle-East Area, Greece

The foundation of a new international anti-nuclear network to work together on the civil and military nuclear threat, will take place. You are invited to come and contribute to the creation of this movement. For more information and registration, please contact : Thanasis Anapolitanos - info@manw.org

October 3-4, IPPNW Conference: Nuclear Weapons - The Final Pandemic Preventing Proliferation and Achieving Abolition, London

The Catastrophes and Conflict Forum of the Royal Society of Medicine and the International Physicians for the Prevention of Nuclear War (IPPNW) will hold an international conference on the health and environmental implications of the nuclear threat in a post-Cold-War world. With the collapse of the 2005 NPT Review and subsequent calls for a renewed civil society campaign to achieve a Nuclear Weapons Convention, IPPNW's medical message about nuclear war has taken on fresh importance. More information...

<http://www.ippnw.org/Events/Upcoming/InternationalConferences.html>

October 4-5, Nuclear Proliferation: Historical Appraisal and Present Problems, Florence.

The workshop will address issues related to the non-fulfilment of the nuclear Non Proliferation Treaty of 1968. It will bring together a number of scholars from very different backgrounds that share a deep interest in studying the problems of proliferation and in preventing any further spreading of nuclear weapons. IPB is co-organising the event with INES among others. Click [here](#) for more information.

October 8-9, CONGO Forum on Civil Society and Outer Space, Vienna

The forum seeks to broaden the knowledge of civil society about the peaceful use of outer space, encompassing the many applications that have a direct beneficial bearing on socio-economic development, as well as the various ecological, legal and security issues related thereto. More on <http://www.ngocongo.org/index.php?what=events&id=10438>

October 13-14, CND Annual Conference 2007, in London

Campaign for Nuclear Disarmament's (CND) annual conference will be held at City Hall, London on 13-14 October. This conference is the opportunity for members to decide the direction for the coming year, to debate contemporary issues and to draw strength and inspiration from participating in a collective national forum. Contact: www.cnduk.org

October 13 - 15, International Youth Training Workshop, in Lahore, Pakistan

This three day long workshop is one within a series of peace leadership trainings developed for young people around the world. It is designed to link youth and to build a lasting youth network focused on spirituality and the UN Decade for a Culture of Peace. Registration fee: US \$ 30. See for more: [workshop](#) or www.opdpeace.org
