BIKE FOR PEACE WORLD TOUR

Launch Event

Bike for Peace was established in Norway in 1978 and is a grass-roots organisation that seeks to initiate and develop concern for the local environment, as well as bring communities together to promote peace and a nuclear weapons free world. It has undertaken over a hundred bike rides for peace and this is its latest global tour. Its Global Co-ordinator Tore Naerland, who is 90% blind, was the recipient of the Gandhi Foundation Peace Award at a 2017 ceremony in the House of Lords and Bike for Peace have been nominated for the Nobel Peace Prize a number of times. This meeting is the formal launch of their global tour which takes in the UK, France, India, China, Australia, New Zealand, Hawaii, the United States and Norway.

Come and hear all about the global tour and the close links between Bike for Peace, Mayors for Peace, CND UK and Parliamentarians.
